GOALS

I'm passionate in improving my skills especially with coding. I want to work in an environment where people are motivated, and if they're not in the mood, they never give up on that project they are assigned with. I know nothing is perfect, but that's makes it perfect. There's always room for improvement

EXPERIENCE

Temecula, CA Line Cook, Pechanga Casino Cook food according to the Recipe. Make sure you cook food like it's for the people you love.	=====	2016 –2020
